

NETWORKING COCKTAIL – FORUM OF FORA

02.09.2009, European Parliament in Brussels

The European Parliamentary Fora have the honour of inviting you to their joint Cocktail Reception to welcome the new Members of the European Parliament. The event will take place as of **18.30 on Wednesday, 2nd September 2009 on the 3rd floor** of the Altiero Spinelli Building at the European Parliament in Brussels. An exhibition will be organised in conjunction with the event to present the activities of the Fora.

The Parliamentary Fora are independent platforms bringing together major stakeholders to discuss topics related to **mobility**, the **financial market** and **the Internet**. They do not advocate a specific point of view but rather aim at facilitating and promoting the exchange of information and of good practices.

The Fora are leading the debate on **the crucial issues which will be at the heart of the European legislative agenda** as well as on new topics which are just starting to emerge.

Come and meet these unique networks in the Brussels policy arena!

WITH THE PARTICIPATION OF THE CHAIRS OF THE FORA
Malcolm Harbour MEP, Wolf Klinz MEP and Pilar del Castillo MEP

SPECIAL GUEST

José Manuel Barroso, President of the European Commission (confirmed)
Jerzy Buzek, President of the European Parliament (invited)

We look forward to welcoming you at our event.

The Parliamentary Fora

*Founded in 2000, the **Forum for the Automobile and Society** is Brussels' leading independent debating arena for discussion of issues which are of relevance to the automotive sector and its role in society. It brings together stakeholders in the Automotive Community, including motorists, vehicle makers, dealers, component suppliers and automotive logistics. The Forum holds regular public meetings in Brussels to stimulate debate on policy issues affecting the future role of the automobile. www.autoandsociety.com*

*The **European Parliamentary Financial Services Forum** (EPFSF) was founded in 2000 to facilitate and strengthen the exchange of information on financial services and Europe's financial markets, between the European Parliament and the financial services industry. Its mission is to promote integration of a single European market for financial services across national borders, which is globally competitive and to the benefit of the European economy as well as suppliers and consumers of financial services. www.epfsf.org*

*The **European Internet Foundation** (EIF) was founded in 2000 by Members of the European Parliament. Its mission is to help provide European political leadership for the development of European and multilateral public policies responsive to the political, economic and social challenges of the worldwide digital revolution. Our purpose is to help ensure that Europe remains at the forefront of this revolution - and benefits fully from it through enhanced global competitiveness and social progress. www.EIFonline.org*
