The European Parliamentary Financial Services Forum has the honour of inviting you to a Reception to welcome Members of the new European Parliament.

The Forum is an independent platform bringing together major stakeholders to discuss topics related to financial markets and services. It aims at fostering the dialogue between the European Parliament and the financial services industry, while it does not advocate any specific point of views.

It is leading the debate on crucial issues which will be at the heart of the European legislative agenda. Its mission is to promote the integration of a single European market for financial services across national borders, which is globally competitive and to the benefit of the European economy as well as suppliers and consumers of financial services.

After speeches from the keynote speakers, this reception will be an occasion for MEPs to discuss financial services issues and to learn more about the Forum. An exhibition will be organised in conjunction with the event to present the activities of the Forum.

Come and meet us at the beginning of the new parliamentary term!

We look forward to welcoming you at our event.

Yours sincerely,

Burkhard Balz MEP

Chair of the European Parliamentary Financial Services Forum
